RULES AND REGULATIONS

Exhibiting organizations are responsible for complying with all federal, state, local, and NASP rules and regulations. The regulations included below are fully incorporated as part of the contract between the exhibiting organization and the National Association of School Psychologists.

SPACE APPLICATIONS/CONTRACTS AND BOOTH ASSIGNMENTS

NASP will accept Exhibit Space Applications/Contracts for priority booth assignment through October 4, 2023. Exhibitors will be given priority points for exhibiting at past NASP conventions (2019-2023) and will earn two points for each year the exhibiting organization exhibited at NASP conventions. Priority points are awarded for exhibitors who do not participate in at least one convention during that period.

All organizations returning completed Exhibit Space Applications/Contracts and Visa/MasterCard number and expiration date, check, or money order by October 4, 2023, will be assigned booth space based on their priority points, highest to lowest. In the case of a tie, sponsors will be given priority. All organizations returning completed Exhibit Space Applications/Contracts after October 4, 2023, will be assigned booth space on a first-come, first-served, space-available basis after the priority applications are processed.

Please complete and return your form, including your 1st-6th location preferences, as soon as possible to be included in the early booth assignment process. Please note that only organizations that submit Exhibit Space Applications/Contracts by February 2, 2024, will be included in the Exhibitor’s Early Tentation app. To access and download the NASP 2024 Annual Convention Exhibit Space Application/Contract, please visit the bottom of this document or visit the Convention section of the NASP website.

ELIGIBILITY

All products, services, and employment opportunities exhibited at an NASP convention shall be related to the NASP mission to enhance the mental health and educational competence of children and must be of professional, technical, or interest to convention participants. NASP reserves the right to determine the eligibility of prospective exhibitors for inclusion in its exhibition. Exhibitors must include the following receipt of an Exhibit Space Application/Contract (description must be included) and prior to booth assignment.

Please mail your completed Exhibit Space Application/Contract and your Visa/MasterCard number and expiration date, check, or money order to: NASP 2024 Convention, P.O. Box 79469, Baltimore, MD 21279-0469. Please note that NASP is unable to accept purchase orders and that overnight deliveries cannot be accepted at the above post office box.

EXHIBIT BOOTH CARPET

The Exhibit Hall is carpeted.

FEDERAL TAX IDENTIFICATION NUMBERS

Vendors who sell tangible property in the Exhibit Hall must have Federal Tax Identification Numbers and should have a copy of their certificates available on site, in case it is requested.

CANCELLATION AND REFUNDS

All exhibit organizations canceling space will be charged a $100 processing fee, and no refunds will be issued for space cancellations received after December 1, 2023. In the event of cancellation due to acts of God, fire, strike, government restrictions, or the control of the parties to the agreement, NASP will refund that portion of exhibitor fees that it deems correct, with the expenditures and commitments already made.

BOOTH DEFINITIONS AND DISPLAY RULES

Linear Booth (In-Line Booth): Linear Booths have only one side exposed to an aisle and generally are arranged in a series along a straight wall for Linear Booths. A maximum height of 8’ is allowed within the back five feet of the booth space only; a 4’ height restriction is imposed on all materials in the remaining space forward to the aisle. (Note: When three or more Linear Booths are used in combination as a single exhibit space, the 4’ height limitation is applied only to that portion of exhibit space which is within 10’ of an adjoining booth.) Corner Booth: A Corner Booth is a Linear Booth exposed to aisles on two sides. All rules above for Linear Booths also apply to Corner Booths.

Perimeter Booth: A Perimeter Booth is a Linear Booth that backs to a wall of the exhibition area and is on display to another exhibit. All guidelines for Linear Booths also apply to Perimeter Booths.

Peninsula Booth: A Peninsula Booth is exposed to aisles on three (3) sides and composed of a minimum of four booths. A Peninsula Booth usually is a combination of four or more 8’ × 10’ booths. Because a Peninsula Booth backs up to two Linear Booths, the back wall is restricted to 4’ high within 5’ of each aisle and the back wall, permitting adequate lines of sight for the adjoining Linear Booths. Eight feet (8’) is the maximum height allowance, including signage for the center portion of the back wall.

Island Booth: An Island Booth is any size booth exposed to aisles on all four sides. An Island Booth usually is a combination of four or more 8’ × 10’ booths, although it may be configured differently. The entire cubic content of the space may be used. Displays of any height are permitted along the perimeter but solid walls are permitted only in the center of the booth parallel and aligned with aisle layout of the hall.

GUIDELINES FOR ALL BOOTH SIZES

Depth: All display fixtures over 4’ in height and placed within 25’ of an adjoining exhibit booth must be confined to the area of the exhibitor’s space which is within 5’ of the back line.

Height: The Exhibit Hall ceiling height is 22 feet. See the paragraph above for limitations on placement of exhibit booth components.

Side Walls: Side walls cannot exceed 4’ in height, except for the area which is within 5’ of the back wall.

General Guidelines:

Displays: Displays must be contained within the assigned booth spaces in such a way that they do not interfere with other exhibitors’ displays. No booth may obstruct exhibition attendees’ views of adjacent booths from any angle. Booth activities that cause attendance to cease, to leave, or become impatient or restrict or restrict traffic are forbidden. All displays, signs, flyers, distribution of literature and souvenirs, entertainment, or any other activities must take place inside the characterized booth space only. No exhibits may be placed over the public area.

Exhibits shall sublet, assign, or share any part of the space allocated to his or her booth. Although written consent from NASP. NASP reserves the right to reject or require on-site modification of any display or demonstration that, in NASP’s sole discretion, is not in keeping with the character of the NASP exhibition or is in violation of the “good neighbor” policies described above. Exhibit booths may not include any structures that stretch into or across Exhibit Hall aisles. Exhibits including audio or video devices must be conducted or arranged so that no noise will disturb adjacent exhibitors or attendees. NASP reserves the right to prohibit the use of amplifying devices that it considers objectionable.

SET-UP AND DISMANTLE

Levy Exposition Services, Inc., the official NASP General Service Contractor, will furnish, erect, and dismantle the exhibit area as part of this contract. All shipments of exhibit materials must be made through drayage to the General Service Contractor, according to the stipulations provided by NASP, and all costs not paid prior to written consent from NASP. NASP reserves the right to require or require on-site modification of any display or demonstration that, in NASP’s sole discretion, is not in keeping with the character of the NASP exhibition or is in violation of the “good neighbor” policies described above. Exhibit booths may not include any structures that stretch into or across Exhibit Hall aisles. Exhibits including audio or video devices must be conducted or arranged so that no noise will disturb adjacent exhibitors or attendees. NASP reserves the right to prohibit the use of amplifying devices that it considers objectionable.

LIABILITY AND INSURANCE

The exhibitor agrees to adhere to and be bound by all applicable fire, utility, and building-code regulations at the exhibition premises. The exhibitor also agrees to the contract and terms between the exhibition premises (managers and owners), NASP, and other parties related to the exhibition. The exhibitor shall not deface or damage the exhibition premises or exhibit area in any way.

The exhibitor shall be fully responsible to pay for any and all damages to property owned by the exhibition premises, its owners, or managers, which result from any act or omission of the exhibitor. The exhibition premises shall not be responsible or liable for any loss, damage, or claims arising out of or as a result of the exhibitor’s activities on the facility’s premises except for any claims, losses, or damages arising directly from the facility’s own negligence.

The exhibitor hereby assumes entire responsibility and hereby agrees to protect, defend, indemnify, and save the owners and operators of the exhibition premises, and its affiliates, employees, officers, directors, and agents harmless against all claims, losses or damages, whether for personal injury, property damage or loss, or defense of legal actions or proceedings, including, but not limited to, actions relating to the exhibitor and the NASP’s premises at any NASP convention or event.

The exhibitor shall and will continue to provide, and will have in force during the term of the contract, insurance policies and applicable limits and deductibles adequate to cover the NASP’s premises at any NASP convention or event.

ADMISION TO EXHIBIT HALL

Security will be posted at the Exhibit Hall entrance, and only exhibitors with badges will be admitted during exhibitor set-up or exhibition hours. Exhibitors with badges can be admitted to the Exhibit Hall 1 hour before the exhibition opens each day.

No pets or animals shall be permitted in the Exhibit Hall, with the exception of service or guide dogs or other animals for persons with disabilities. Children must be under the strict supervision of adults only. Children are not permitted in the Exhibit Hall during any set-up or dismantle hours.

NoNASP policy will be strictly enforced.

Unethical conduct or infractions of the rules on the part of an exhibitor, his or her representatives, or both will subject the exhibitor, his or her representatives, or both to be dismissed from the Exhibit Hall. In this event, it is agreed that no refund shall be made by NASP, and that no demand for redress will be made by the exhibitor or his or her representatives. Disregard for any rules stated herein is considered just reason for NASP to deduct priority points for future booth assignments or prohibit an exhibitor from attending future NASP conventions.

Questions regarding these policies should be directed to NASP Exhibits Coordinator, Jeanette Rodriguez, by email to jeanette.rodriguez8@gmail.com.
