RULES AND REGULATIONS

These regulations are fully incorporated as part of the contract between the exhibiting organization and the National Association of School Psychologists.

SPACE APPLICATIONS/CONTRACTS AND BOOTH ASSIGNMENTS

NASP will accept Exhibit Space Applications/Contracts for priority booth assignment through October 3, 2016. Exhibitors will be given priority points for exhibiting in past NASP conventions (1999-2016) and will earn two points for each year exhibiting and one additional point each year for each booth purchased. Additional points also will be awarded for advertisers and sponsors. Priority points expire after 5 years for exhibitors who do not participate in at least one convention in that period.

All organizations returning completed Exhibit Space Applications/Contracts by October 3, 2016, will be assigned booth space based on their priority point total, from highest to lowest. In the case of a tie, sponsors will be given priority. All organizations returning completed contracts after October 3, 2016, will be assigned booth space on a first-come, first-served, space-available basis after the priority applications are processed. Please complete and return your form, including your 1st-4th location preferences, as soon as possible to be included in the priority booth assignment process.

To access and download the NASP 2017 Annual Convention Exhibit Space Application/Contract, visit the convention section of the NASP website. Please mail your completed Exhibit Space Application/Contract along with your Visa/MasterCard number and expiration date, check, or money order to: NASP 2017 Convention, P.O. Box 79469, Baltimore, MD 21279-0469. Please note that NASP is unable to accept purchase orders and that overnight deliveries cannot be accepted at the post office box listed above.

CANCELLATION AND REFUNDS

All exhibit organizations canceling space will be charged a $2,000 processing fee, and no refunds will be issued for exhibit space cancellations received after December 1, 2016. In the event of cancellation due to acts of God, fire, strike, government requisition or seizure beyond the control of the parties to the agreement, NASP will refund that portion of exhibitor fees that it deems consistent with the expenditures and commitments already made.

ELIGIBILITY

All products, services, and employment opportunities exhibited at the NASP convention shall be directly related to the NASP mission to enhance the mental health and educational competence of children and must be of professional or educational benefit or interest to convention participants. NASP reserves the right to determine the eligibility of prospective exhibitors for inclusion in its exposition. Eligibility will be determined following receipt of an Exhibit Space Application/Contract (description must be included) and prior to both assignment.

EXHIBIT HALL CARPETING

The Exhibit Hall is not carpeted. NASP will provide red aisle carpeting. All vendors MUST provide carpeting (available through the General Service Contractor) for their own booths.

BOOTH DEFINITIONS AND DISPLAY RULES

Linear Booth (In-Line Booth): Linear Booths have only one side exposed to an aisle and are generally arranged in a series along a straight line.

Rules for Linear Booths: A maximum height of 8’ is allowed within the back five feet of the booth space only; a 4’ height limitation is applied only to that portion of exhibit space which is within 10’ of an adjoining booth.

Corner Booth: A Corner Booth is a Linear Booth exposed to aisles on two sides. All rules apply for Linear Booths apply to Corner Booths.

Perimeter Booth: A Perimeter Booth is a Linear Booth that backs to a wall of the exhibit facility rather than to another exhibit.

Rules for Perimeter Booths: All guidelines for Linear Booths apply to Perimeter Booths, as well.

Peninsula Booth: A Peninsula Booth is exposed to aisles on three (3) sides and bounded by a minimum of four booths.

Rules for Peninsula Booths: A Peninsula Booth is usually a combination of four or more 10’ x 10’ booths. Because a Peninsula Booth is exposed to up to two Linear Booths, the back wall is restricted to 4’ high within 5’ of each aisle and the back wall, permitting adequate line of sight for the adjoining Linear Booths. Eight feet (8’) is the maximum height allowable, including signage for the center portion of the back wall.

Island Booth: An Island Booth is any size booth exposed to aisles on all four sides.

Rules for Island Booths: An Island Booth usually is a combination of four or more 10’ x 10’ booths, although it may be configured differently. The entire cubic content of the space may be used. Displays of any height are permitted along the perimeter but solid walls are permitted only in the center of the booth parallel and aligned with aisle layout of the hall.

GUIDELINES FOR ALL BOOTH SIZES

Depth: All display fixtures over 4’ in height and placed within 10’ of an adjoining exhibit booth must be confined to that area of the exhibitor’s space which is within 5’ of the back line.

Height: The Grand Ballroom ceiling height is 35’. See the paragraph above for limitations on placement of exhibit booth components.

Side Walls: Side walls cannot exceed 4’ in height, except for the area which is within 5’ of the back wall.

General Guidelines: Displays must be contained within the assigned booth space in such a way that they do not interfere with other exhibitors’ displays. No booth may obstruct exhibition attendees’ views of adjacent booths from any angle. Booth activities that cause attendees to congregate in the aisles and impede or restrict traffic are forbidden. All displays, signs, flyers, distribution of literature and souvenirs, entertainment, or any other activities must take place inside the contracted booth space only. No exhibitor shall sublet, assign, or share any part of the space allocated to his or her organization without prior written consent from NASP. NASP reserves the right to reject or require on-site modification of any display or demonstration that, in NASP’s sole discretion, is not in keeping with the character of the NASP exhibition or is in violation of the “good neighbor” policies described above. Exhibit booths may not include structures that stretch into or across Exhibit Hall aisles. Exhibits including audio or video devices must be conducted or arranged so that no noise will disturb adjacent exhibitors or attendees. NASP reserves the right to prohibit the use of amplifying devices that it considers objectionable.

SET-UP AND DISSMANTLE

Exhibit Set-up and Dissmantine: Exhibitors shall be given the opportunity to present an application to the NASP Exhibit Set-up and Dissmantine committee. All applications will be evaluated by the NASP Exhibit Set-up and Dissmantine committee. All applications must include the following information:

1. The dimensions of the exhibit space allowed.
2. The number of booth personnel needed.
3. The equipment and materials needed.
4. The time and day of the set-up and dissimulation.
5. The method of transportation to and from the exhibit space.
6. The security and transportation of exhibits during setup and dissimination.
7. The method of payment for set-up and dissimulation.

LIABILITY AND INSURANCE

The exhibitor agrees to adhere to and be bound by all applicable fire, utility, and building-code regulations at the exhibition premises. The exhibitor also agrees to the contract and terms between the exhibition premises (managers and owners), NASP, and other parties related to the exhibition. The exhibitor shall not deface or damage the exhibition premises or exhibit area in any way.

The exhibitor shall be fully responsible to pay for any and all damages to property owned by the exhibition premises, its owners, or managers, which result from any act or omission of the exhibitor. The exhibition premises shall not be responsible or liable for any loss, damage, or claims arising out of exhibitor’s activities on the convention center’s premises except for any claims, losses, or damages arising directly from the convention center’s own negligence.

The exhibitor hereby assumes entire responsibility and hereby agrees to protect, defend, indemnify and save the owners and operators of the Henry B. Gonzalez Convention Center, and its affiliates, employees, officers, directors, and agents harmless against all claims, losses or damages to persons or property, governmental charges or fines and attorney’s fees arising out of or caused by its installation, removal, maintenance, occupancy or use of the exhibition premises or a part thereof, excluding any such liability caused by the sole gross negligence of the convention center and its employees and agents.

The exhibitor shall obtain and keep in force during the term of the installation and use of the exhibit premises, policies of Comprehensive General Liability Insurance and Contractual Liability Insurance, insuring and specifically referring to the contractual liability set forth in this Exhibit Agreement, in an amount not less than $2,000,000 Combined Single Limit for personal injury and property damage.

The Henry B. Gonzalez Convention Center shall be included in such policies as additional named insured. In addition, the exhibitor acknowledges that neither the convention center, its owners, nor its operators maintain insurance covering exhibitor’s property and that it is the sole responsibility of the exhibitor to obtain business interruption and property damage insurance insuring any losses by the exhibitor.

The exhibitor shall be responsible for fully researching, understanding, and complying with all municipal and state policies and requirements of vendors participating in the NASP exhibit.

ADMISSION TO EXHIBIT HALL

Security will be posted at the hall entrance, and only exhibitors with badges will be admitted during exhibitor set-up or exhibition hours. Exhibitors with badges can be admitted to the Exhibit Hall one hour before the exhibition opens each day.

No pets or animals shall be permitted in the Exhibit Hall, with the exception of service or guide dogs for persons with disabilities.

Children are allowed in the Exhibit Hall under the strict supervision of adults only. Children are not permitted in the Exhibit Hall during any set-up or dismantle hours. This NASP policy will be strictly enforced.

Unethical conduct or infraction of the rules on the part of an exhibitor, his or her representatives, or both will subject the exhibitor, his or her representative, or both to be dismissed from the Exhibit Hall. In this event, it is agreed that no refund shall be made by NASP, and that no demand for redress will be made by the exhibitor or his or her representatives.

Disregard for any rules stated herein is considered just reason for NASP to prohibit an exhibitor from attending future NASP conventions or to deduct priority points for future booth assignments.

Questions regarding these policies should be directed to NASP Director of Meetings and Conventions Glenn Reighart via phone at 301-347-1666, or via e-mail to greighart@naspweb.org.
CONVENTION ADVERTISING

Enhance your convention presence and earn exhibit booth assignment priority points! Create interest in your exhibit before and during the convention and double the impact of your exhibit. Advertising is a great way to highlight your specific Exhibit Hall location, products, and services. Or, if you cannot exhibit, you still can reach the full audience of thousands of school psychologists and allied professionals throughout the United States and 25 foreign countries who read the publications highlighted below. This group represents approximately 75% of the active portion of the school psychologist market! Your ad becomes a permanent, visible reminder of your organization long after the convention is over.

NASP’s annual convention is the largest meeting of school psychologists in the world. The 2016 convention held in New Orleans, LA, was a huge success, with more than 5,300 attendees. Whether you plan to exhibit or not, advertising in the Preliminary and/or Final Program(s) is an excellent, cost-effective way to get your message out to thousands of school psychologists when they are most focused on opportunities to improve their professional development. The Preliminary Program is mailed to more than 26,000 potential attendees. It highlights the educational sessions, workshops, keynote speakers, meetings, and special events offered during the 4-day convention. The Final Program is distributed on site. Attendees rely on the in-depth coverage of schedules, educational sessions, activities, and presenters provided in this indispensable convention guidebook.
