PREP\textsubscript{a}RE Workshop Outcomes: 2021

The PREP\textsubscript{a}RE School Safety and Crisis Response Curriculum, Third Edition helps schools improve and strengthen their safety and crisis management plans, emergency response, and long-term recovery efforts. The curriculum includes two core workshops that can be conducted together or separately and two corresponding Training of Trainer workshops. Highlights from the most recent annual (2021) workshop evaluation report are below.

**WORKSHOP PARTICIPANT OUTCOMES**

- More positive attitudes related to crisis prevention and intervention
- Significant increases in knowledge related to workshop content
- Greater attitude and knowledge change in participants with less prior training and experience

**EVALUATION YEAR TOTALS 2021**

- Workshops conducted: 306
- Number of core participants: 6,861

**PARTICIPANT FEEDBACK**

- Dynamic, collaborative workshop components
- Knowledgeable trainers
- Useful materials
- Well organized structure
- Interactive presentation style

**MEAN SATISFACTION WITH**

- Workshop Experience: 4.5 out of 5
- Workshop Outcomes: 4.4 out of 5

**CUMULATIVE PROGRAM TOTALS 2020–2022**

- Workshops conducted: 855
- Number of core participants: 20,676
- Number of trainers: 726
- Number of workshop sponsors: 326

**PARTICIPANT SATISFACTION**

- High participant satisfaction across both workshops and delivery formats

**DELIVERY MODELS**

- Consistent outcomes and feedback across in-person and virtual delivery

**PREP\textsubscript{a}RE leverages schools’ strengths, aligns with existing school structures, and supports continued learning.**

**MEAN PERCENTAGE INCREASE**

- In knowledge (from pre- to posttest): 26%

---

"I loved that we were given many opportunities to discuss and practice some of the knowledge we were learning."

---

"The interactive portions were helpful in applying our knowledge to potential real-life situations."

---

"The materials are so thorough, functional, and helpful... The trainers themselves were professional and down to earth, possessed impressive knowledge and skills, and their ability to keep everyone engaged via Zoom for 3 whole days was amazing!"

---
